as it stood on the 31th of Decem^r last, ballance of which being
£2232.14. - in my favour is carried to the debit of a new Acct^t
which please order to be examined & I shall be obliged by Your
informing me in your next whether it is found free from Error.

I am since my last favoured with Yours of 23rd Octo, enclosing
a bill for £200 on Angus Mackay which is noted for nonacceptance
but will doubtless when due be paid by Mess^{rs} Lane & Co. by virtue
of Mr. Roystons Endorsement & will then be placed to the credit of
Mr. Leincings Estate Geo^{rs} Shirleys bill on Trecothick &c.

Mr. Quincy's Estate Gov^r. Shirley's bill on Trecothick &c
for £40 being protested Therswith return to you with the
protest, for charges of which have debited the Estate 5/9 w^{ch}
please note accordingly I flatter myself I shall receive large
remittance by some of the ships now expected w^{ch} I the rather
hope for as I understand bills are now to be had greatly under par

which I hope the Estate may  me benefit from I have
not been pressing for Remitt I had entire dependance
upon your attention to send me my proportion of the Estate
in common with the other Creditors as the effects came in
but I am rather mortified at hearing that some have
been paid 15/ & some full 20/ in the ~~st~~ while I have not
had quite 10/ I have no doubt from your integrity that
I shall finally be paid fully but money here is a very
welcome thing & it would be very agreeable to me to have
mine when others have theirs Excuse my mentioning this
& believe me very sincerely Sir

Your most humble Serv^t.
